TECHNICAL FEATURES GUIDE

advanced features and fabrications for enhanced usability

EASE Technology ENGINEERED COMFORT

EASE is a custom engineered foam, property of Cat® Footwear. Developed by Wolverine World Wide, we have adopted and engineered the technology accordingly to fit our bags. We offer EASE Technology inside our shoulder-straps.

ease

R.F.I.D. Shield

Our products are engineered to last, designed to perform and meant to protect you. Our RFID Shield will insulate your belongings from radio waves trying to read and capture information. This technology can be found in our wallets and other selected items.

S.T.R. STRONG. TOUGH. REINFORCEMENT.

Our bags and packs resist heavy loads due to our advanced bar-stitching and tape-covered seams. This reinforcement secures against tearing and provides long lasting durability.
